## Don't Play 'Would You Rather' With This Guy

Some people take games way too seriously, but this question deserves an answer for the love of god.

We all have that one friend who takes the game too seriously...

### FIELD NOTES FROM THE FUNNY OR DIE STAFF

Man, I don't know about you but **this one went to a dark, dark place**. Like, hey bud, if you're that committed to knowing what people think about something, maybe wait until they actually answer your question before you, you know, demonstrate the insane power of **high speed objects creating holes in the human body**.

I'm not saying that I don't identify, at some level, with the guy's frustration. Who among us hasn't wondered about which would be truly worse? Penis-sized nipples or nipple-sized penis?

My thing is this: science is incredible. And the **corrective measures needed to restore one's nipples to nipple-sized nipples** seem far far easier than the reverse scenario. So, at one level, these assholes in this party who will forever be traumatized by this horrific event, have no one to blame but themselves. But then again on another level, this dude is a motherfucking psycho who needs to learn to play with others.

And re: the question at the end: obviously I'd choose to always have to wear a winter jacket. Jackets are awesome.
